RICHLAND COUNTY COMMUNITY PARTNERS RESPOND TO PUBLIC HEALTH EMERGENCY

Richland Center, WI: A virtual Emergency Operations Center meeting was held again this morning to share information between Richland County officials and community partners in a joint response to the COVID-19 pandemic.

Public Health Manager/Local Health Officer, Rose Kohout announced that as of 2:00pm Sunday, May 10th the Wisconsin Department of Health Services (DHS) confirmed that in the state of Wisconsin there were 10,219 confirmed cases of COVID-19, 105,163 have tested negative, there were 400 deaths, and 1,820 hospitalizations due to COVID-19. Of those that tested positive for COVID-19 in the state of Wisconsin, 18% have been hospitalized. There are 13 confirmed cases of COVID-19 in Richland County, 351 have tested negative, and there have been 2 deaths as a result of COVID-19 at this time. Kohout also reported that 6 individuals who had tested positive for COVID-19 in Richland County have been released from quarantine.

The Richland Hospital continues to phase in the reopening of their building and services.

Non-emergent surgical procedures are being performed now; working through a risk

stratification plan from low to high risk patients. A “soft launch” of Primary Care visits began today at the Richland Hospital campus and will expand over the next 4-6 weeks. Primary Care visits will also continue at the Muscoda Health Center and the Spring Green Medical Center during this time. The Richland Hospital Coronavirus Hotline remains available 24 hours a day 7 days a week and patients are still being instructed to call (608) 604-9953 BEFORE coming to the hospital. The Richland Hospital continues to offer their “Respiratory Illness Evaluation” drive-thru service from **8am-Noon** 7 days a week and COVID-19 testing is being offered to anyone displaying symptoms.

One of the four key COVID-19 testing goal features of Governor Tony Evers Badger Bounce Back Plan is the testing of every nursing home resident and staff member in the State of Wisconsin. Our Pine Valley Community Village and Schmitt Woodland Hills partners report that they are preparing to conduct these tests sometime in May. Badger Bounce Back Plan details: <https://www.dhs.wisconsin.gov/publications/p02653a.pdf>.

Richland County Community Partners shared the status of their individual organization’s emergency response, reviewed staffing and PPE (Personal Protective Equipment) needs and local inventory, and discussed priority topics to support the community through the recovery process. The Whole Community Recovery Steering Committee has been meeting regularly to identify the economic impact of COVID-19 on Richland County families and determine a suitable long-term recovery structure for our citizens.

If you have a COVID-19 question that you want our community partners to answer, please call Richland County Health & Human Services at 608-647-8821 and submit your question to the receptionist or email the question to rchhs@co.richland.wi.us. Citizens are encouraged to check out the Richland County COVID-19 Dashboard which offers helpful data to better understand the impact of the pandemic globally and locally: <https://covid.co.richland.wi.us/2020/04/21/richland-county-covid-19-dashboard/>.
