RICHLAND COUNTY COMMUNITY PARTNERS OFFER COVID-19 VACCINE UPDATE & DATA

Richland Center, WI: A collaborative partnership continues between the Richland Hospital, Richland County Health & Human Services, Center Pharmacy, and Richland County Emergency Management to develop a local plan to effectively and efficiently distribute COVID-19 vaccinations as they become available. This group meets weekly to clarify the details and progression of the local plan as instructed by the Wisconsin COVID-19 Response Plan. **Populations who are now “currently eligible” in Richland County includes ALL WISCONSINITES 12+:**

The following vaccine clinic partners are prepared to offer 1,200-1,400 vaccine appointments every week in Richland County if the vaccine is consistently available:

- The Richland Hospital and Clinics will offer COVID-19 vaccinations **during normal business hours**. They will no longer be offering large mass vaccination clinics. Currently eligible populations will be offered a vaccine during hospital or clinic appointments. **Walk-in requests are accepted**. To schedule an appointment, please call 608-647-1820.

- Richland County Health & Human Services and Richland County Emergency Management will offer FREE COVID-19 Vaccination Clinics at the Richland Center High School weekly on **Wednesdays from 8:30am-4:30pm and walk-ins will be accepted.** Currently eligible populations should go to <https://richlandhospitalclinics.rsvpify.com/> to schedule an appointment.
- Center Pharmacy will offer COVID-19 vaccinations by appointment only on **Thursdays from 3:00pm-5:30pm.** Currently eligible populations should go to <https://richlandhospitalclinics.rsvpify.com/> to schedule an appointment.

Individuals needing assistance with making an appointment should call the Richland Hospital COVID-19 Hotline at 608-647-1820 or Richland County Health & Human Services at 608-647-8821. Richland County residents are encouraged to sign-up for NIXLE alerts by texting 53581 to 888777 or go to www.nixle.com to sign-up to receive informational emails. You will then receive up-to-date alerts regarding local COVID testing sites and vaccination clinics, severe weather, public safety, criminal activities, missing persons, traffic issues, and local events.

The Wisconsin Department of Health Services reports that as of today 47.3% of Richland County residents have received at least one dose of the COVID-19 vaccine and 43.1% are fully vaccinated. Richland County citizens age 65 and older who have received at least one dose totals 81.1%. The up-to-date COVID-19 vaccine data can be found at <https://www.dhs.wisconsin.gov/covid-19/vaccine-data.htm#summary>.
