FREE COVID-19 COMMUNITY TESTING IN RICHLAND COUNTY SUSPENDED THROUGH THE SUMMER

Richland Center, WI: Richland County Emergency Management Director, Darin Gudgeon reports “the free COVID-19 community testing offered weekly at the Richland Center High School on Mondays is being suspended through the summer. As we get closer to school starting in the fall, we will re-evaluate the situation and determine whether or not community testing needs to be offered again.” The Richland Hospital Clinic will continue to offer COVID-19 testing to symptomatic individuals and individuals can contact Center Pharmacy to schedule a test as well.
