Families who are interested in learning more are encouraged to attend the following virtual event hosted by the Morgridge Institute for Research:

“Exploring COVID-19 Vaccines for Kids”
Tuesday, November 9, 2021
from 1:00-2:00 pm CST

The virtual conversation will include experts on the front lines of pediatric vaccine development and public health. Hear the latest on vaccine clinical trials for children 5-

11, where we stand on vaccines for kids under 5, and the state of the public health effort to combat the pandemic. Experts will also share the latest information on vaccine boosters, vaccine hesitancy, and COVID-19 treatments. To learn more or register for this free event at <https://morgridge.org/event/covid-19-vaccines-for-kids/?src=UWex#register>
