RICHLAND COUNTY COMMUNITY PARTNERS REVIEW WEEKLY COVID-19 VACCINATION & TESTING EFFORTS

Richland Center, WI: A virtual Emergency Operations Center (EOC) meeting was held today to share information between Richland County officials and community partners in a joint response to the COVID-19 pandemic. Public Health Manager/Local Health Officer, Rose Kohout announced that as of 2:00pm Wednesday, December 8th the Wisconsin Department of Health Services (DHS) confirmed that in the state of Wisconsin there were 901,727 confirmed cases of COVID-19 and 9,237 COVID-19 related deaths. In Richland County, Kohout announced that there were 2,397 confirmed cases of COVID-19, 10,013 have tested negative, and there were 28 COVID-19 related deaths. Richland County Public Health now has 102 active cases and 182 individuals have been hospitalized at some point.

Emergency Management Director, Darin Gudgeon announced the number of individuals tested at COVID-19 community testing events held weekly at the Richland County Fairgrounds: 11/18/21 - 14 tested, 11/22/21 - 24 tested, 11/29/21 - 25 tested, 12/2/21 - 35 tested, and 12/6/21 - 28 tested. The results of those 126 tests will be included in the appropriate county's totals once they are received and verified.

-More-

The Wisconsin Department of Health Services reports that as of today 56.6% of Richland County residents have received at least one dose of the COVID-19 vaccine and 54.3% are fully vaccinated. Richland County citizens age 65 and older who have received at least one dose totals 82.1%. The up-to-date COVID-19 vaccine data can be found at <https://www.dhs.wisconsin.gov/covid-19/vaccine-data.htm#summary>.

The following updates were announced regarding COVID-19 & Influenza vaccinations and testing efforts in Richland County:

COVID-19 & INFLUENZA VACCINATIONS

The CDC & DHS recommends that anyone 18 and older receive a booster dose of COVID-19 vaccine at least six months after having received their second dose of the Pfizer-BioNTech (Pfizer) or Moderna vaccine. All adults are now eligible to receive booster doses, and booster doses are strongly recommended for everyone 50 and older, who are at the greatest risk for severe disease. Additional information regarding the vaccine can be found at: <https://www.dhs.wisconsin.gov/covid-19/vaccine.htm>. The following partners are offering vaccine clinics in Richland County:

- **The Richland Hospital and Clinic** offers COVID-19 and Influenza vaccinations:
